

Enable Cart Display on Card Reader

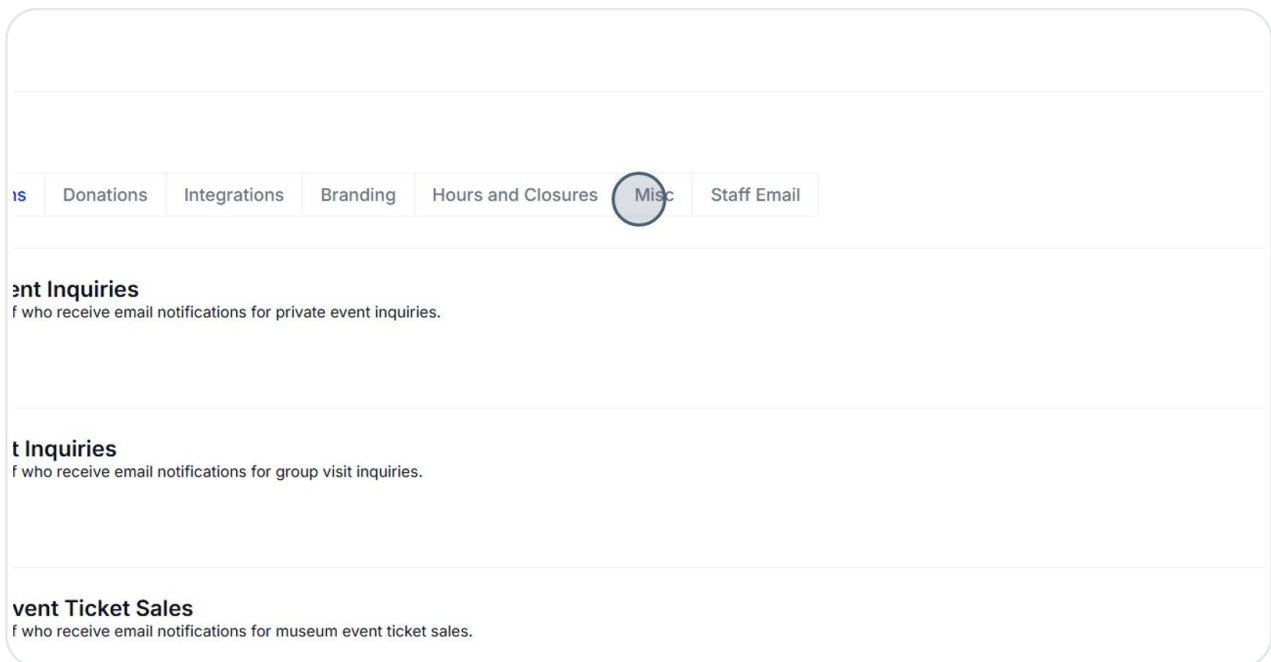

1. Click the blue North Star icon.

2. Select "Settings."

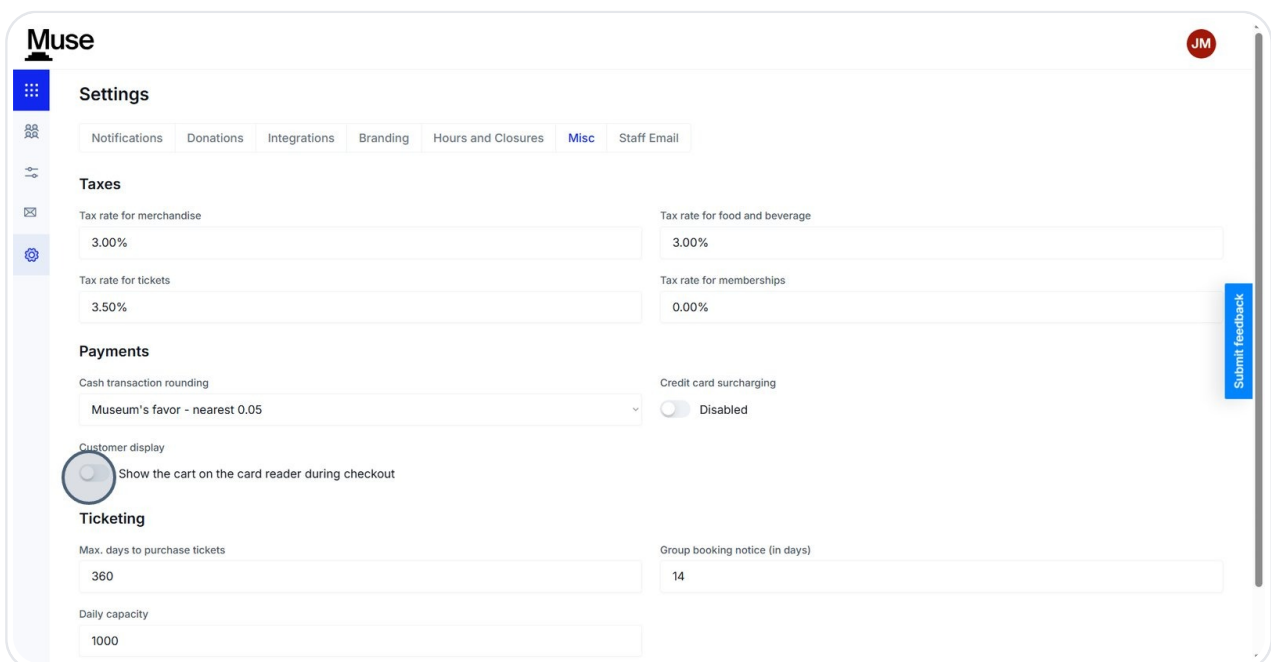

3. Head over to the Misc tab.

The screenshot shows a settings interface with a horizontal tab bar at the top. The tabs are: 'Notifications', 'Donations', 'Integrations', 'Branding', 'Hours and Closures', 'Misc' (which is highlighted with a blue circle), and 'Staff Email'. Below the tabs, there are three sections, each with a title and a description:

- Event Inquiries**
People who receive email notifications for private event inquiries.
- Group Visit Inquiries**
People who receive email notifications for group visit inquiries.
- Museum Event Ticket Sales**
People who receive email notifications for museum event ticket sales.

4. Enable the switch under "Customer display" to showcase the cart on your card reader with real-time purchase transparency at checkout.

The screenshot shows the 'Misc' tab in the settings interface. The 'Customer display' section is highlighted with a blue circle. The switch is currently turned on, and the text 'Show the cart on the card reader during checkout' is visible. The 'Ticketing' section is also visible below it.
